Plato: Eternal Light of the Renaissance

July 9, Wednesday 7:30PM Presentation: \$5

We are still in awe and wonder when we contemplate the beauty embodied in the masterworks of Botticelli, Leonardo or Rafael. But are we aware that they were all inspired by the revival of platonism embodied in such towering figures as Plato, Ficino and Pico de la Mirandola. The lecture will explore the interplay between ideas, art and civilization during the Renaissance.
